

The Canadian Board for Respiratory Care Le Conseil Canadien Des Soins Respiratoires

Examination Development and Review Committee (EDRC)

Call for Volunteers

- The CBRC is recruiting volunteers to fill a current vacancy on the Examination Development and Review Committee.

- **Anesthesia (1)**

- Respiratory Therapists interested in becoming a content expert on the CBRC Examination Development and Review Committee are asked to please submit their resume (CV) to the CBRC Board of Directors for consideration no later than April 30, 2016. (email preferred)
- The time commitment per year is a minimum of two meetings, approximately five days each, for a total commitment of ten days. Meetings are typically in January and July.
- Selection decisions are based on clinical and didactic expertise as well as a goal of maintaining a national scope and demographic balance of the committee composition.
- Applicants must be a Respiratory Therapist in good standing with at least one of the following organizations: CSRT, CARTA, MARRT, CRTO, NBART, NSCRT, SCRT, NLCRT or OPIQ

For further information and to submit your resume (CV) please contact the CBRC.
